

Post-Visit Activities

LEVEL THREE:

- The children should gather as much information as possible from the park using the talks, the literature and the panels outside each enclosure. Then, using this information, children should imagine they work at Monkey World and have to give a talk to a group of schoolchildren to encourage them to go to Monkey World. They can make a presentation with PowerPoint and give the talk in front of the class.
- Design an advertisement or leaflet for Monkey World.
- Produce a storyboard for a 30 second commercial to advertise Monkey World.
