

## DONATION BY STANDING ORDER FORM

Standing orders are different from direct debits. When you set up a standing order you choose the amount of money to pay to an organisation. You are free to alter the amount you pay, change the frequency of payment or cancel a standing order at any time. Please complete this form and send it direct to your bank. Alternatively, you can set up a standing order directly through your bank online using our bank details given below.

If, in the future, you wish to make any changes, please contact your bank direct. There is no need to inform us unless you wish.
