## OUR SERVICE

Catering for both large and small groups, Civil Ceremonies, Civil Partnerships and Renewal of Vows. We take care of everything for you – our dedicated wedding team will guide you through all the preparations, and be on hand throughout the day to ensure that you can relax and enjoy this special occasion.

The ceremony will take place alongside Paddy's enclosure, and you can be sure that the chimpanzees in this group will all be very interested in everything that's going on! After the service, buffet and toasts, you will be free to enjoy our beautiful 65-acre park - a photographer's dream - before making your way to your evening reception.

At the end of your unique and memorable day, you can feel safe in the knowledge that you have contributed to a good cause as the funds generated will enable us to continue with our rescue and rehabilitation work.

Our primates are just like us, and we like to make sure that they have a full stomach and a comfortable bed before they retire for a good night's sleep - which must be heaven for them after the abuse and neglect that many of them have endured. With this in mind, we have taken the decision not to hold any evening functions at the park. However, there are many local reception venues - including the Jim Cronin Memorial Fund Education Centre, adjacent to Monkey World - in the area to choose from.
